

ENVIRONMENT POLICY

Policy Statement

Goonvean Aggregates is committed to protecting the environment and acknowledges the potential impact that our operations may have. We perform all activities in an environmentally conscientious manner and the endorsement of this policy by all personnel ensures it is compatible with the context and strategic direction of the company.

Commitment

Goonvean Aggregates will:

Culture

Through leadership commitment, establish and sustain a strong environmental culture, use our natural resources to best effect by optimising the use of raw materials.

Standards

Intelligently implement a robust and proportionate management system to ISO 14001: 2015 Management System and conform to all legal requirements. This standard focuses on early engagement to identify resources needed for the environmental aspects of its management system, to plan and manage actions to mitigate adverse effects upon the environment.

Performance

Monitor and measure our energy, water usage and generated waste using SMART key performance indicators, audit our procedures and use management review to make informed decisions. Continual improvement provides confidence to our stakeholders, customers and any other concerned parties.

Collaboration

Work with our customers, suppliers and relevant government agencies to reduce the current and future impact of our business on the environment.

People

Enable accountability at all levels of management for the effectiveness of the EMS and responsibility for the communication, understanding, implementation and maintenance of the system.

Enable all employees and contractors to maintain high standards of environmental compliance via comprehensive training and developmental programmes.

Continual Improvement

Goonvean Aggregates constantly strives to improve its environmental management. The environmental policy is subject to annual review. If there are new processes, procedures, legislation or other contributing factors, that may influence our environmental considerations occurs, amendments will be issued.
